

DETALHES DE ACESSIBILIDADE E MOBILIÁRIO

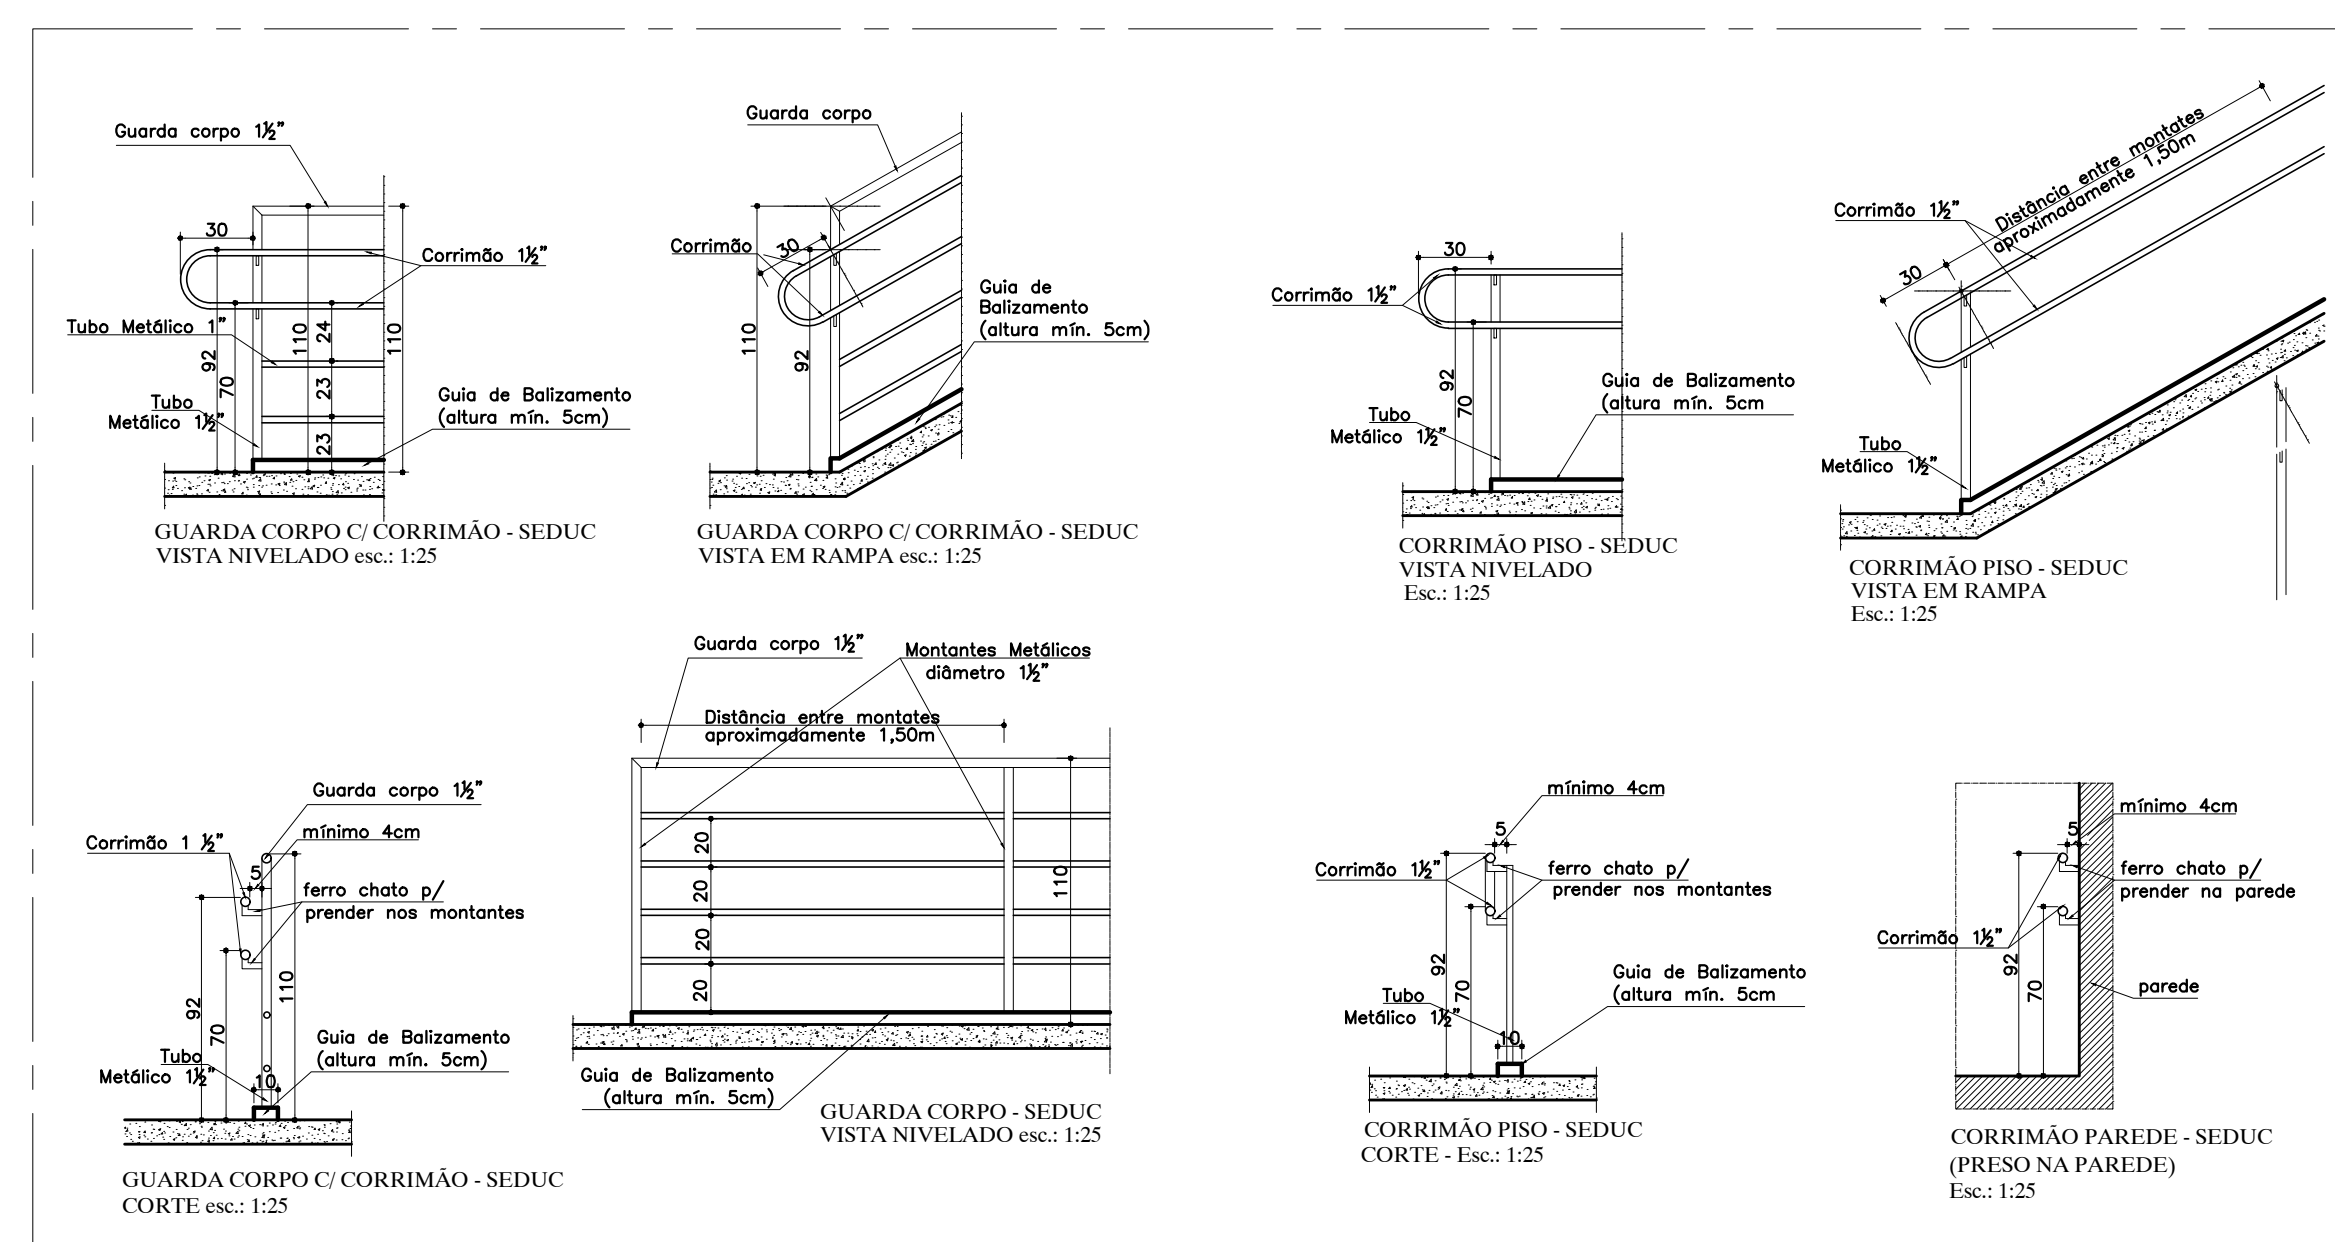

The technical drawings illustrate the layout and dimensions for a sanitary unit and its accessory components. The top row shows plan views for a toilet with support bars and an accessory unit. The bottom row shows cross-sections for the same units, detailing the height and structural requirements.

Top Row (Plan Views):

- Bacia sanitária com barras de apoio:** Shows a toilet with support bars. Dimensions include 1000 mm for the overall width, 1000 mm for the distance between bars, and 1000 mm for the distance from the wall to the bars. The text "Bacia sanitária com barras de apoio" is present.
- Sanitário acessório:** Shows an accessory unit. Dimensions include 1000 mm for the overall width, 1000 mm for the distance between bars, and 1000 mm for the distance from the wall to the bars. The text "Sanitário acessório" is present.

Bottom Row (Cross-sections):

- Bacia sanitária com barras de apoio:** Shows a cross-section of the toilet with support bars. Dimensions include 1000 mm for the overall height, 1000 mm for the distance between bars, and 1000 mm for the distance from the wall to the bars. The text "Bacia sanitária com barras de apoio" is present.
- Sanitário acessório:** Shows a cross-section of the accessory unit. Dimensions include 1000 mm for the overall height, 1000 mm for the distance between bars, and 1000 mm for the distance from the wall to the bars. The text "Sanitário acessório" is present.
